No naked flame, makes these perfect for carols by candle light events where naked flames have been banned due to public liability risks. On off button on the bottom of the candle means that the candle can be used time and time again before the battery runs out and yes, batteries are replaceable.

We have also included, free of charge, 24 Acrylic Candle Holders to provide an easy to hold solution for carolers, while also making the candle a stylish piece which will suit any table decor.
